EMPLOYMENT HISTORY

**Managing Partner** Luminesce Consulting  
Columbus, OH  
1999-present

Luminesce was formed in 1999 and remains a woman owned and operated firm providing comprehensive program evaluation, statistical analysis and reporting, database design and training, evaluation and data use workshops, and grant proposal collaboration services. Responsibilities include securing, developing, and implementing program evaluation, data analysis, and program development/revision contracts; managing fiscal concerns.

**Program Evaluation Administrator** Office of Program Evaluation and Research  
Department of Mental Health  
Columbus, OH  
1996-2000

Primary responsibilities included planning, developing and implementing research and evaluation designs for special projects and programs on state-wide consumer outcomes initiatives; assisting in technological development of data warehouse; administering university and agency research proposals; reviewing, evaluating, and recommending methodological and substantive appropriateness of proposals submitted to the department for funding; researching, designing, and implementing evaluations of ODMH funded projects.

**On Loan** Ohio Families and Children First

**Executive** Office of the Governor  
Columbus, Ohio  
1997-1999

Responsibilities included developing and implementing strategies for the statewide evaluation of the Wellness Block Grant (teenage pregnancy prevention; child maltreatment) and Parent Leadership Training Institute; providing local councils with technical assistance in the evaluation of local programming efforts; serving as a liaison to the evaluation and research workgroup for the Family & Children First initiative.

**Adjunct Professor** Department of Family Relations and Human Development  
The Ohio State University  
1996-present

Responsibilities include preparing and teaching undergraduate and graduate courses in family stress, family relations, and human development.

**Graduate Assistant** Department of Human Development and Family Studies  
Texas Tech University  
1992-1995

1992-1996: Teaching assistant

Primary responsibilities include preparing and teaching undergraduate courses in human development and family studies.

1992-1994: Research assistant

Primary responsibilities include collecting and analyzing qualitative and quantitative data in the area of disclosure processes among HIV-infected individuals.

**Graduate Assistant** Family and Child Studies Center  
Miami University  
1990-1992

Primary responsibilities included compiling preliminary literature review and analyzing data in the areas of later life families and divorce, perceptions of elderly persons' sexuality, and challenges facing American families.

**Public Health Advisor,  
Assistant Front-Line Supervisor**

The Centers for Disease Control & Prevention  
1306 S. Michigan Avenue, Chicago, IL  
1988-1990

1989-1990: Primary responsibilities included training employees in techniques for interviewing and educating persons infected with sexually transmitted diseases and HIV, and partner notification.

1988-1989: Primary responsibilities included interviewing and educating persons testing positive for sexually transmitted diseases and HIV, locating partners for notification, and motivating individuals to seek clinical testing and treatment.
